2025 International Students Admission Brochure of GDPST

I. About GDPST

Established in 1985, Guangdong Polytechnic of Science and Technology (hereinafter referred to as GDPST) is a full-time public institution of higher education approved by the Guangdong Provincial People's Government and filed with China's Ministry of Education. We have two campuses in Zhuhai and Guangzhou respectively, with a campus area of more than 130 hectares and over 26,000 full-time students. We have 17 schools, including School of Computer Engineering Technology (School of Artificial Intelligence), School of Robotics, Business School, School of Culture and Media, School of Automotive Engineering, School of Architectural Engineering, School of Art and Design, School of Accounting and Finance, School of Sports and Health, School of Applied Foreign Languages, School of Tourism, School of Internet of Things, School of Management Engineering, School of Marxism, School of International Cooperation, School of Innovation and Entrepreneurship, School of Continuing Education, etc.

The teaching and management of international students of GDPST is mainly conducted in Zhuhai campus. Zhuhai became a special economic zone in 1980, and it serves as a pivotal hub in the Guangdong-Hong Kong-Macao Greater Bay Area. Zhuhai boasts an exceptional living environment and is an excellent tourist destination in China, which enjoys the name of *Happy City*, *City of Romance* and *City of a Hundred Islands*. Upon the commissioning of the Hong Kong-Zhuhai-Macao Bridge,

Zhuhai emerged as the sole mainland Chinese city with direct land connectivity to both Hong Kong and Macao.
