

Overseas Student Enrollment Guide

Rizhao Polytechnic, approved by the Chinese Ministry of Education in 1998, became the first higher vocational college in Shandong Province. Currently, it has more than 1,100 teaching staff and more than 17,000 students on campus. It has 10 teaching departments including Aquaculture Technology, Architectural Engineering, Mechanical & Electrical Engineering, General Aviation, Hyundai Auto, Electronic Information Technology, Accounting, Business, Humanity & Tourism, Innovation Design, and 51 majors covering 13 specialties. It is one of the top 30 high-level vocational colleges with Chinese characteristics, national model higher vocational college, national quality college, national model colleges in graduate employment, one of the first national pilots for modern apprenticeship, national model school for deepening innovation and entrepreneurship education reform. It is one of the top 50 colleges in terms of teaching resources, service contributions, international influence and global competitiveness among Chinese higher vocational colleges. For three consecutive years, it has been identified as model institution for school-enterprise cooperation in running schools in Shandong Province. And It has won two Awards of Excellence by the World Federation of Colleges and Polytechnics successively.

Rizhao Polytechnic(RZPT), approved by the Ministry of Education, is the

first public higher vocational school in Shandong Province. It is one of 100 national model higher vocational colleges and one of the first batch of provincial core model vocational and technological colleges. In 2012, it was recognized as a national model college in graduate employment by the Ministry of Education. In 2014, it won a bronze award of Excellence in College-industry Partnerships by the World Federation of Colleges and Polytechnics. In 2015, it was named as one of the first national pilots for modern apprenticeship by the Ministry of Education, and identified as modern apprenticeship pilot project construction unit of Shandong province vocational colleges by Shandong Education Department. In 2016, it was recognized as one of the first batch of provincial model colleges for college-industry jointly school-running by Shandong Education Department. In 2017, it was awarded a national education reform model college in innovation and entrepreneurship, and ranked one of the top 50 nationwide in service and contribution among vocational colleges. In the same year, it was rated as one of the first batch of 16 construction organizations of high quality vocational colleges and universities in Shandong Province. In 2018, it won a silver award of Excellence in Entrepreneurship by the World Federation of Colleges and Polytechnics. In 2019, it was identified by the Ministry of Education as a national high quality junior college vocational college, and successfully selected as one of the top 30 high-level vocational colleges with Chinese

characteristics.

RZPT is located in a beautiful coastal city-- Rizhao, the winner of United Nation Habitat Scroll of Honor Award. RZPT covers an area of around 866,700 square meters, with the building area of 618,660 square meters. So far, it has an enrollment of over 15,000 students and over 900 faculty and staff. It has facilities and instruments of 199million yuan.
