Grand Events

Celebration of traditional Chinese New Year

International Students attending university sports meeting

We organize international students to participate in university sports meeting for experience of culture characteristics of AMU. We organize grand events for international students such as celebration of traditional Chinese New Year, Diwali Festival, Corban Festival, Halloween and Christmas.

Culture Tour

International students experiencing ancient Anhui culture

International students experiencing classical Chinese culture

National-level Competitions

International students attending Taiji Competition

International students attending international Marathon

Welcoming Speech from Secretary General & Dean	25

Dear international students,

Welcome to study in Anhui Medical University, which is a key provincial university with a history of 92 years. The predecessor of Anhui Medical University was Dongnan Medical College, established in 1926 in Shanghai. Moved first to Huaiyuan County, Anhui Province, at the end of 1949, and then to Hefei, the capital of Anhui Province, in 1952, Dongnan Medical College changed its name to Anhui Medical College. In June, 1996, approved by the National Committee on Education, Anhui Medical College was renamed Anhui Medical University.

In the new era, university development presents the following remarkable characteristics. Firstly, scientific research develops by leaps and bounds. Anhui Medical University won the 2nd place in National Award for Science and Technology Progress and won the 1st place for three times in The Chinese Medical Science and Technology Award (the highest award in the medical and health field) within 4 years. Large amounts of high quality SCI papers with high impact factors were published. Studies in susceptibility gene of complex diseases become world-renowned and relevant achievements won "The National Prize for Science and Technology 2010". Relevant papers were published continuously on world famous academic journals such as the New England Journal of Medicine and Nature Genetics.

Secondly, educational levels are further improved. We have been devoting ourselves to the development of a teaching-research type medical university with high standards. Different undergraduate programs and courses are being offered in 30 special fields of study, and one 8-year bachelor-master program (clinical medicine). The university has been authorized to establish 3 post-doctoral scientific research programs, to grant doctoral degrees in 29 specialties, and to award master's degrees in 79 specialties. The university has established strategic partnership with many military hospitals and close cooperation relationship with higher education institutions in Germany, Sweden, America, Canada, Japan, Korea, Hong Kong and Taiwan District.

Thirdly, the university's social service ability is strengthened. There are 10 directly affiliated and non-directly affiliated hospitals. Anhui Medical Group, just like an aircraft carrier, including the 1st, 2nd, 4th affiliated hospitals, Stomatological Hospital, Chaohu Hospital and Fuyang Hospital, come into being. It has become the center in Anhui Province for education, scientific research and medical treatment.

Fourthly, great achievements have been made in talent cultivation. The passing rate of medical licensing examination of medical students ranks around 20th place among 101 medical universities in China. Graduate students' clinical and scientific research ability is outstanding. Some of them published 18 SCI papers before graduation, with one of the papers getting more than 30 points of impact factor. There are more than 1100 doctoral and master degree student's supervisors. Nearly 100 teachers got grants from NSFC (Natural Science Foundation of China).

New journey; new goal; new prospect! All those who are devoted to human health are welcome to join this wonderful "medical palace" and to create a prosperous future together.

Professor Li Jun, MD, PhD
Chair of University Council

Professor Cao Yunxia, MD, PhD
President of Anhui Medical University

Li Jun, MD, PhD

Professor of Pharmacology, PhD Supervisor

Chair of the University Council, Anhui Medical university

Director of Institute of Anhui Pharmaceutical Research

Member of Council of Chinese Pharmaceutical Association

Vice director of Pharmaceutical Care Committee of Chinese pharmacological society

Commissary of clinical pharmacology committee of Chinese pharmacological society

Commissary of Traditional Chinese medicine and natural medicine of Chinese Pharmaceutical Association

Prof. Li mainly focus on anti-inflammatory and immunopharmacology, clinical pharmacology and bioactive components of natural medicines. He found the effects of epigenetics and TRPM7 in the liver disease. He has published many nationally-received books and over 150 SCI papers on these subjects.

Up till now he held 7 national nature science foundations and guided over 100 masters and doctors.

Cao Yunxia, MD, PhD

Professor of Reproductive Medicine, PhD & MD Supervisor

President of Anhui Medical University

Doctoral degree students' supervisor

Medical Director of Reproductive Medicine Centre, the 1st Affiliated hospital of Anhui Medical University

Dean of Department of Obstetrics & Gynaecology, Anhui Medical University

Since 2003, Professor Cao has published more than 20 monographs and 150 papers.

Member of Standing Committee of Chinese Society of Reproductive Medicine, Chinese Medical Association

Expert for evaluation of Reproductive Medicine technology, Ministry of Health

Expert for evaluation of China Medical Award

Expert making outstanding contributions, Ministry of Health

Excellent scientific and technical worker, P.R. China

Top 100 most influential woman in Hefei City

安徽医科大学

Doctoral Degree Students' Supervisors

Zhu Qixing, MD, PhD

Professor of Public Health and Preventive Medicine, PhD Supervisor
Vice President of Anhui Medical University

He focuses his research on occupational toxicology. He is a science and technology leader of Anhui Province, enjoying special allowances from Anhui Provincial Government, Director of Anhui Province Cancer Institute, Director of Anhui Medical University Preventive Medicine Institute, Executive Director of Chinese Preventive Medicine Association, Director of Anhui Preventive Medicine Association and its Occupational Health and Occupational Diseases Commission, and Vice Chairman of Hefei Association for Science and Technology.

Prof. Zhu presided over one National Special Project for Science and Technology Benefiting People, 5 National Natural Science Fund Projects, one Ph. D. Fund Project of Ministry of Education of China; published more than 100 academic papers (including 30 SCI papers), one second prize and two third prizes for Anhui Provincial Science and Technology Award and several second and third prizes for Anhui Provincial Teaching Achievement Award.

Yu Yongqiang, MD, PhD

Professor of Medical Imaging, PhD & MD Supervisor
Vice President of Anhui Medical University

Member of Anhui Provincial Radiology Branch Committee, Director of China Hospital Management Association, Executive Director of Anhui Medical Association, Executive Director of Anhui Nuclear Society, Chairman of Biomedical Engineering Branch of Anhui Medical Association, Vice chairman of Medical Imaging Management Branch of Anhui Hospital Association, Deputy Chief of Magnetic Resonance Branch of Chinese Radiology Association, Member of Neurology Committee of China Society for Tomography Anatomy, Committee Member of Chinese Imaging Technology Research Association, Editorial Board Member of Chinese Journal of Radiology, China Medical Imaging Technology, China Medical Computer Tomography, China CT and MR Magazine, Journal of Anhui Medical University, Journal of Anatomy and Clinical Medicine, Practical Medical Imaging Journal, China Clinical Imaging Journal, and Anhui Medicine.

Wei Wei, MD, PhD

Professor of Pharmacology, PhD Supervisor

Director, Institute of Clinical Pharmacology of Anhui Medical University

Director, Key Laboratory of Anti-inflammatory & Immune Medicine, Education Ministry of China

Councillor, Division of Clinical Pharmacology, International Union of Basic and Clinical Pharmacology(IUPHAR)

Vice President of Chinese Pharmacological Society(CPS)

Chairman of Division of Clinical Pharmacology for CPS

Editor-in-chief of Chinese Pharmacological Bulletin

The major research fields of Prof. Wei Wei include, anti-inflammatory and immunological pharmacology, clinical pharmacology and molecular pharmacology. During the past years, he applied himself to the work of teaching and scientific researches. He managed the investigations from the National Natural Science Foundation of China, the national 863 items, the national science and technology creative item, the national new medicine clinical trial, etc. He fruitfully combines basal of study with applied study, and made productive progresses, Prof. Wei Wei has trained more than 80 master students and 50 PhD students, and published more than SCI papers.

Wu Qiang, PhD

Professor of Pathology, PhD & MD Supervisor

Director of the Department of Clinical Pathology

Dean of School of International Education, Anhui Medical University

Director, Foreign Affairs Office, Anhui Medical University

Prof. Wu is devoted to the study of cancers of breast and female genital organs, being involved in the projects of cellular and molecular biology. He and his co-workers have published the research results in international and domestic journals, such as Cancer Research, Cancer, International Journal of Cancer, BMC Cancer, Journal of Ovarian Research, Chinese Journal of Cancer Research, Chinese Journal of Pathology, Chinese Journal of Obstetrics and Gynaecology, Chinese Journal of Laboratory Medicine, Chinese Pharmacological Bulletin, Journal of Cellular and Molecular Immunology and others.

安徽医科大学简介

安徽医科大学为省属重点大学，部委省共建高校。

1926年创办至今，风雨兼程，积淀了深厚的历史底蕴。进入二十一世纪，学校秉承“好学力行，造就良医”的校训和“求真、求精、求新”的校风，弘扬“爱国爱民，献身人类健康”的光荣传统，为建设高水平教学研究性大学而不断努力奋斗。

学校现有在校生15700余人，有包括国际教育学院在内的16个直属教学机构。设有30个本科专业和方向，拥有第一附属医院等6所直属附属医院。拥有临床医学、药学2个博士学位授权一级学科点，26个博士学位授权二级学科点；有10个

硕士学位授权一级学科点，59个硕士学位授权二级学科点；拥有博士专业学位授予权1个，硕士专业学位授予权8个。建立了药学、临床医学、公共卫生与预防医学3个博士后科研流动站。近5年来，学校共承担“863”、“973”计划、国家科技支撑计划和国家自然科学基金项目等420余项。国家自然科学基金立项数近年来保持安徽省属高校领先地位。我校也是近年来唯一获中国十大科技进展和教育部十大科技进展殊荣的省属高校。

学校高度重视来华留学生教育。在生活设施上，为留学生提供了双人间，宿舍内配备了卫生间、热水器、空调、电视、冰箱以及网络设施；开设了穆斯林餐厅、留学生公用厨房和洗衣间；改造了四间教室，专门用于留学生教学和自习使用等。良好的后勤服务体现了我校国际化的管理和服务水平，得到了留学生的认可。目前已有在校留学生407名，来自全球五大洲40多个国家。我校从2013年9月获准招收中国政府奖学金生资格，目前已招收来自牙买加、索马里、阿塞拜疆、东帝汶等国共35名中国政府奖学金学生。

风扬帆起，破浪有时。在留学生教育的道路上，我校将不断完善各项教育和管理机制，加快软硬件建设，让每一位身在异乡的留学生们都能感到温暖和谐，把“中西合璧、爱我安医”浇灌到每位留学生的心里。

As a key provincial university, Anhui Medical University (AMU) is one of the universities co-invested by Ministry of Education, National Health & Family Planning Commission and Anhui Provincial Government. Since its foundation in 1926, Anhui Medical University has accumulated a profound historical background with the university motto "Study hard and try to practise, bring up excellent doctors" and university ethos "seeking for earnest, proficiency and creativity". We have been devoting ourselves to the development of a teaching-research type medical university with high standards, and carrying out the fine tradition of making contribution to human health.

At present, there are 15,700 undergraduates on two campuses. There are 16 teaching institutions including School of International Education. Different undergraduate programs and courses are being offered in 30 special fields of study. The university has been authorized to establish 3 post-doctoral scientific research programs, to grant doctoral degrees in 29 specialities, and to award master's degrees in 77 specialities. Anhui Medical University now has 6 directly affiliated hospitals. In recent 5 years, the university has undertaken 420 research programs from research programs "863", "973" and Natural Science Foundation of China. In recent years, Anhui Medical University has been far ahead of other

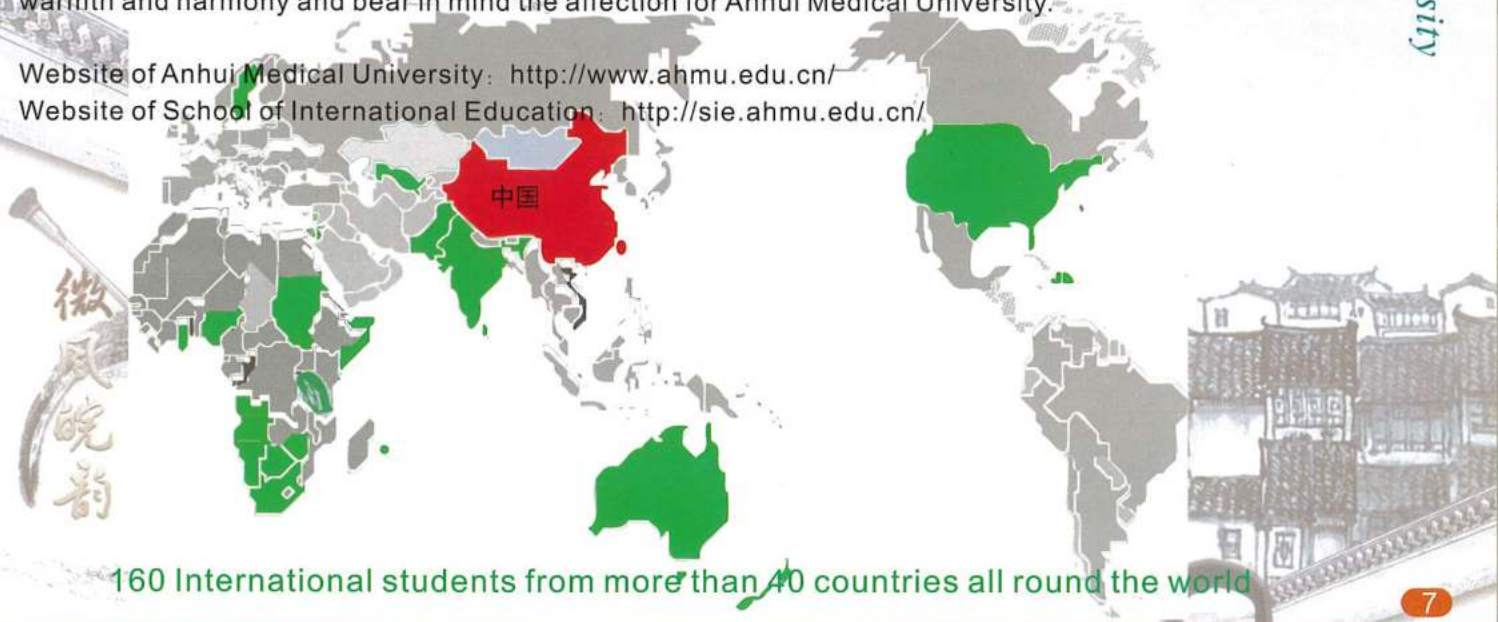

provincial universities in terms of the total amount of grants from NSFC (Natural Science Foundation of China). Meanwhile, Anhui Medical University is the only provincial university winning the honor of National top 10 scientific and technological development.

Anhui Medical University attaches great importance to international education. The university provides double rooms equipped with bathroom, shower, air-conditioner, TV sets, fridge and internet. International students in Anhui Medical University also have access to Muslim canteen, public kitchen and laundry room. Four classrooms were renovated for international education. Excellent services for international students, which have got recognition from them, reflect the international administrative standards of the university. Up to now, there are 407 international students(including MBBS Programme, master and doctoral students) from more than 40 countries all round the world. In September 2013, Anhui Medical University was entitled to enroll students with Chinese government scholarship from Chinese Scholarship Council. Up to now, Anhui Medical University has enrolled 35 students with Chinese Government Scholarship from Jamaica, Somalia, Azerbaijan, East Timor, etc.

During the process of international education, Anhui Medical University will constantly improve the teaching and administration mechanism, speed up the construction of basic facilities and infrastructures, which can make every international student feel our warmth and harmony and bear in mind the affection for Anhui Medical University.

内外全科临床医学

MBBS (Bachelor of Medicine and Bachelor of Surgery)

● 课程简介

内外科全科医学专业培养适应现代医学发展需要，德智体美全面发展，具备扎实的医学基础理论、基本知识和基本技能，有一定的临床教学及科研工作能力的临床医学专门人才。

● Brief Introduction

MBBS (Bachelor of Medicine and Bachelor of Surgery) program is designed to enable students to develop morally, intellectually, physically and aesthetically as clinical specialists. Students trained under this program will be armed with sound basic knowledge expertise, and skills in modern medicine, and can be qualified for teaching and research work in the field of clinical medicine.

● 申请要求

1. 申请学生必须熟练掌握英语：医学课程授课语言为英语，申请学生须英语为母语或第二语言，或者学习过英语课程，具有熟练掌握英语听说读写能力。

2. 学历：高中毕业，英语、物理、化学、生物各门课要通过学生所在国的毕业考试，且物理、化学、生物平均分数高于同届毕业生70%以上；

3. 申请学生必须无不良记录：申请人须提交其本人最高学历毕业证书、合格的相关成绩表、护照或相关身份证件的证明材料；申请学生的年龄须在18周岁至30周岁；18周岁以下申请学生必须出示其未成年人监护权委托书。

4. 身体健康：要求符合教育部、卫生部、残疾人联合会联合制定的《普通高等学校招生体检工作指导意见》和《安徽医科大学招生章程》的相关规定；

5. 申请学生家庭必须有充足的经济来源：我校MBBS课程招收自费来华留学生，要求申请学生家庭要具备充足的经济来源，以保证学生自费来华留学所需的一切费用。

● Application Requirements:

1. Applicants must have a good command of English. All the courses are taught in English. Applicants' mother tongue or second language must be English, or they should have learned courses in English. They should be skillful in English listening, speaking, reading and writing.

2. Applicants must be high school graduates. They must have passed English, Physics, Chemistry and Biology graduation exams. Their physics, chemistry and biology exam results must be above B+.

3. Applicants can't have any adverse record. Applicants must submit their graduation certificate, exam result sheet, passport and identity card. Applicants must be between 18 and 30 years old. Applicants under 18 must submit letter of authorization for guardianship.

4. Applicants must be healthy and have passed health check-up.

5. Applicants must have sufficient financial support for all the fees of MBBS major.

● 主要课程

汉语, 医学汉语, 中国文化, 解剖学, 组织学与胚胎学, 生理学, 细胞生物学, 人体寄生虫学, 生物化学, 医学免疫学, 医学微生物学, 病理学, 医学遗传学, 药理学, 病理生理学, 形态学综合实验, 机能学综合实验, 医学统计学, 流行病学, 物理诊断学, 检验诊断学, 外科学总论, 公共卫生, 麻醉学, 社会医学, 医学伦理学, 医学影像学, 中医学, 内科学, 外科学, 神经病学, 精神病学, 口腔医学, 眼科学, 耳鼻咽喉头颈外科学, 肿瘤学, 妇产科学, 皮肤性病学, 康复医学, 急诊急救医学, 医学信息检索与利用, 卫生事业管理, 营养与饮食, 传染病学, 儿科学, 临床核医学, 临床技能训练, 实习52周。

● Main courses

Chinese language, Medical Chinese, Chinese Culture, Anatomy, Histology and Embryology, Physiology, Cell Biology, Parasitology, Biochemistry, Immunology, Microbiology, Pathology, Medical Genetics, Pharmacology, Pathophysiology, Comprehensive Experiments of Morphology, Comprehensive Experiments of Functions, Medical Statistics, Epidemiology, Physical Diagnostics, Clinical Laboratory, General Introduction of Surgery, Public Health, Anesthesiology, Social Medicine, Medicine Ethics, Medical Imageology, Traditional Chinese Medicine, Internal Medicine, Surgery, Neurology, Psychiatry, Stomatology, Ophthalmology, Otorhinolaryngology Head and Neck Surgery, Oncology, Gynecology and Obstetrics, Dermatology, Rehabilitation Medicine, Emergency Medicine, Medical Informational Retrieval, Infectious Disease, Pediatrics, Nuclear Medicine, Clinical Skills Training, Internship rotation for 52 weeks.

东盟奖学金

为响应国家“一带一路”倡议, 安徽医科大学为鼓励东南亚地区学生来我校留学深造, 特设立东盟奖学金。获得该奖学金者将享受第一学年全额奖学金(包括第一学年学费、住宿费、保险费、书本费及生活费10000元人民币)。就读期间, 学生可每年向学校申请该项奖学金。

如申请人已获得中国政府奖励资助的, 不再享受本奖学金。

Scholarship of ASEAN

In response to China's "Belt and Road" initiative, Anhui Medical University set up Scholarship of ASEAN (the Association of Southeast Asian Nations) so as to encourage more students from Southeast Asia to come for medical studies. The scholarship is full scholarship, which covers tuition fee, accommodation fee, insurance fee and textbook fee as well as living allowance of RMB 10000 for the first year. In the following years, students can apply for this scholarship every year.

The applicant who is already sponsored by Chinese Government Scholarships will not be eligible for this Scholarship.

安徽医科大学中国政府奖学金项目招生简章

一、申请途径和申请时间

申请人应在规定时间内向安徽医科大学提出申请, 申请时间截止至每年5月31日。

二、申请人资格

1. 申请人须为非中国籍公民, 身体健康;
2. 申请人的学历和年龄要求:
 - a) 来华攻读硕士学位者, 须具有学士学位, 年龄不超过35周岁;
 - b) 来华攻读博士学位者, 须具有硕士学位, 年龄不超过40周岁;
3. 未获得其他任何奖学金资助

三、奖学金内容

1. 免交注册费、学费、实验费、实习费、基本教材费和校内住宿费;
2. 提供门诊医疗费和来华留学生综合医疗保险
3. 提供奖学金生活费和一次性安置补助, 生活费由学校按月发给学生本人;
4. 新生来华后一次性发放安置费。

四、招生类别及奖学金期限

序号	学生类别	专业学习期限	奖学金期限
1	硕士研究生	3 学年	3 学年
2	博士研究生	3 学年	3 学年

五、申请材料提供

申请人必须如实填写和向安徽医科大学国际教育学院提交以下申请材料(均为一式两份)

1. 申请人首先从中国驻外使馆获得“中国政府奖学金生”资格;
2. 申请人须在留学基金委“来华留学网上报名系统”网上填写和提交申请基本信息, 在提交信息后, 请打印系统自动生成的中国政府奖学金申请表;
 - a) 留学基金委来华留学网上报名系统的网址为 <http://laihua.csc.edu.cn>;
 - b) 安徽医科大学受理机构代码: 10366
3. 经过公证的最高学历证明。如申请人为在校学习或已就业, 需另外提交本人就读学校出具的在学证明或就业单位出具的在职证明。中英文以外文本需附经公证的中文或英文的译文;
4. 申请硕士、博士的学生须提供学习成绩单。中英文以外文本需附经公证的中文或英文的译文;
5. 来华学习和研究计划(不少于800字), 用中文或英文书写; 样本下载
6. 申请人须提交两名教授或副教授的推荐信, 用中文或英文书写;
7. 有效护照复印件;
8. 《外国人体格检查记录》(复印件): 此表格由中国卫生检疫部门统一印制, 须用英文填写。缺项、未贴有本人照片或照片上未盖骑缝章、无医师和医院签字盖章的《外国人体格检查记录》无效。

Chinese Government Scholarship Program-Anhui Medical University

I Application

The applicants should send their applications in time to the College of International Education (hereinafter referred to as CIE) of AHMU before May 31 each year.

II Eligibility

1. Applicants must be non-Chinese nationals in good health.
2. Education background required and age limit:
Applicants for master degree studies must have bachelor's degree and be under the age of 35;
Applicants for doctoral degree studies must have master's degree and be under the age of 40.
3. The scholarship cannot be combined with any other scholarship.

III Details of the Scholarship

1. Exempt from registration fee, tuition fee, fee for laboratory experiment, internship fee, fee for basic learning materials and on-campus accommodation fee;
2. Comprehensive Medical Insurance;
3. Monthly living allowance is granted to the students;
4. One-off settlement subsidy is for new students upon their arrivals in China..

IV Categories of Applicants and Duration of Scholarship

NO.	Categories of Applicants	Duration of Major Studies	Duration of Scholarship
		Academic Years	
1	Master's Degree Students	3	3
2	Doctoral Degree Students	3	3

V. Application materials

The applicants must fill in and provide the following materials truly and correctly (in duplicate) to SIE;

1. Applicant first gets the award letter from China Embassy;
 2. Application Form for Chinese Government Scholarship. It should be filled in and printed out after submitting online;
 - i. The CSC Online Application System for Study in China is available at <http://laihua.csc.edu.cn>;
 - ii. AHMU university code is 10366;
 3. Highest diploma (notarized photocopy). If applicants are university students or already employed, they should provide pre-graduation certificate or employment certificate;
 4. Transcripts (notarized photocopy);
 5. A study or research plan(no less than 800 words); Sample Download
 6. Two recommendation letters by professors or associate professors;
 7. Passport copy;
 8. Photocopy of foreigner Physical Examination Form (printed by Chinese quarantine authority);
- Incomplete records or those without the signature of the attending physician, official stamp of the hospital or a sealed photograph of the applicants are invalid.

Anhui Medical University has established cooperation relationship with National Institute on Alcohol Abuse and Alcoholism, USA, and reached agreement on cooperation in fields such as Alcoholic Hepatitis and personnel training. School of Pharmacy has undertaken more than 80 natural science research programs including NSFC (Natural Science Foundation of China) and published over 30 SCI papers in recent years.

Reproductive Medicine Centre, the 1st Affiliated hospital of Anhui Medical University, was founded in May, 1998. Since 1999, the center has applied In Vitro Fertilization and Embryo Transfer technology (IVF-ET). In October 2000, the first test-tube baby in Anhui Province, China, was born in the center. In November 2002, the center produced the test-tube baby by applying Intracytoplasmic Sperm Injection (ICSI) technology. In October 2003, Reproductive Medicine Centre passed the assessment by Ministry of Health and became a qualified one. Up till now, more than 300 test-tube babies were born in this center.

Welcoming Speech from CPC Secretary & Dean

安徽医科大学

Welcoming Speech from Secretary General & Dean

During the past years, we made a great progress in the issue of international cooperation. We have established the stable and trustful relationship and had frequent exchange in medical sciences with the universities and hospitals in Europe, America and Asia. We initiated the international education following the right decision by the University Council. The School of International Education develops quickly. In 2013, it was authorized to train international students of Chinese Government Scholarship and international students of Anhui Provincial Scholarship. MBBS programme taught in English obtained national authentication for International students education in 2017 and AMU's Clinical Pharmacology is a Chinese Brand Course Teaching in English. AMU ranks the first in Anhui Province in the field of degree course for overseas students. Now over 400 international students from over 40 countries are studying at AMU. The students, under the shower of love, have got used to their university life. The fusion of the diverse cultures of the world will provide precious opportunities for Chinese and international students to enhance communication, improve mutual understanding and promote cooperation.

The love is the common language of human being and the great love has no boundary. We will still keep our pure-hearted love to the foreign students in the coming years.

Herewith, to construct the bridge of friendship, to create a better tomorrow with emotion, and to express our heartfelt appreciation, on behalf of School of International Education, we extend our best wishes to all of you!

周家群

CPC Secretary
Mr. Zhou Jiaqun

吴强

Dean
Professor Wu Qiang
